A walkthrough

Welcome to this tutorial on how to delete your account in Impact Evaluator. Follow these steps carefully to complete the process.

2 To start, click on your profile icon in the top right corner of the screen. From the dropdown, select Account & Purchases to go to your account page.

3

A popup will appear asking you to confirm the deletion. If you have an active annual membership, you'll need to cancel that first before proceeding. Deleting your account is a permanent action—it will cancel all data and settings linked to Impact Evaluator, so be sure to proceed with caution.
