

## UTILITY INFORMATION SHEET

**Congratulations on the purchase of your new home! We hope that the following list with telephone numbers will aid you in your move.**

You will need to contact the electricity and water service companies to request new service in your name. We notify the utility companies to remove the utilities from our name **5 days after closing or first occupancy**, whichever comes first; therefore, the home is subject to not having water, power, or gas if the homeowner has not applied for service.
