

UTILITY INFORMATION SHEET

Congratulations on the purchase of your new home! We hope that the following list with telephone numbers will aid you in your move.

You will need to contact the electricity, gas, and water service companies to request new service in your name. We notify the utility companies to remove the utilities from our name **5 days after closing or first occupancy**, whichever comes first; therefore, the home is subject to not having water, power, or gas if the homeowner has not applied for service.
